Strategic Partnerships

InQuest is an authorised agent of iDashboards, a market leader in executive reporting dashboards software. We have a strategic partnership with iDashboards in implementing dashboard software solutions in the region (East and Central Africa).

iDashboards business intelligence dashboard software provides management with real-time visibility into their data and greater insight into their key performance indicators (KPIs).

In a world of endless data sources and back-end systems, establishing direct connections for decisions can be tricky.

iDashboards makes it easy to connect directly to your back-end and turn data into decisions.

ENHANCING BUSINESS AND VISUAL INTELLIGENCE

We offer seamless integration with any data sources, market edge insights, training and support services and partner with organisations desirng to leverage their market leadership throgh data insights
